## **Painted planters**

**Time: 60 Mins**

Decorating a flower box or planter is a wonderful springtime activity for the youngsters in your house. All you need is a planter or a plastic or wooden container, some waterproof paint and a place to let the kids' imaginations run wild. Don't forget to pick up some seeds for them to sprinkle in when they're done. They'll love caring for their plants and watching them grow in the box they created themselves.
