Teaching Learning Strategies	
Introduction: Ask the following questions from the students: Do you think <u>earthworms</u> are cool creatures that are fun to play with? Or are they icky, creepy, <u>slimy</u> <u>crawlies</u> that you'd rather avoid? Take their responses and proceed. Methodology: Activity: <ul style="list-style-type: none"> To take your earthworm studies even further, consider building a Worm Condo or making Worm Food. You'll be able to observe earthworms doing the very things that make them such great gardeners! Share what you learn with class. 	

- Isn't it amazing to think of all the earthworms hard at work below the soil?

Wrap up: Wind up the lesson by asking the students to share their understanding of the topic.
