

## Project Assessment

Name: \_\_\_\_\_

Grade: \_\_\_\_\_

**Activity: Gather together tools for drawing, storing them in a bucket to be safe.**

Remind learners about the safety rules of working with tools and introduce the idea of making a sign to be used in the garden as a tool stop – to mark the place where tools are picked up and returned to for safety.

### **Equipment needed**

- Paper or wooden board
- Permanent pens
- Acrylic paints
- Varnish
- Canes or wooden stake to attach sign to
- Strong tape or tacks and hammer
- Laminator and pockets
- Background information on tool safety
- Ask your group to design a bold clear sign that will be used to show everyone where to collect and return their tools.
- Draw, colour or paint your favourite tools on paper or wooden board.
- Make the sign bold and easily seen.
- Write clear instructions such as 'Tools Back here!' Or 'Tool Stop Here!'
- List the rules to keep everyone safe with tools.
- Leave to dry if using paints.
- Class can vote for the best sign to act as the tool stop sign.
- Laminate the sign if it was drawn on paper.
- Attach to a cane with gaffer tape or to a stake with a nail if making a wooden sign.
